|----|------------------------|----------|

The claimant (04-SAB-125) requests \$999.99 reimbursement for replacement of the lockset and keys to her car due to a patient breaking into her house on the grounds of the hospital and stealing her vehicle. The cost of the replacement is over \$1,000 but she is willing to accept this amount. She lived on the grounds of the hospital when she was on call. The State was negligent in allowing the patient to escape. Her automobile insurance carrier has denied the claim. The Department recommends approval of this claim.

16. DEPARTMENT OF COMMUNITY HEALTH continued

The claimant (04-SAB-126) requests \$423.00 reimbursement for her eyeglasses broken when in an altercation with a patient. The Department recommends approval of this claim.

The claimant (04-SAB-094) requests \$125.00 reimbursement for impound & towing charges due to a Secretary of State error. 19. DEPARTMENT OF TRANSPORTATION

- 1) Michelle Campbell \$157.82

The claimant (04-SAB-132) requests \$157.82 reimbursement for damage to her vehicle after hitting a pothole. The intersection was opened to traffic and paving was scheduled within three to four days. Potholes developed in the gravel prior to paving. An investigation further revealed that the Coloma Maintenance Garage and B and Z Company had joint responsibility to keep this pavement open

2) Kenyatta Woodall \$523.03

The claimant (04-SAB-113) requests \$523.03 reimbursement for damage to her vehicle from a pothole.
